BROWSE through the available subjects:

1. Select a subject from the top navigation bar to access a detailed list of topics.
2. Click on a topic to access a list of all videos in that topic.
3. Click on any title to view that video, or click on "View segments in this video" to see a list of its segments.

SEARCH the titles in your collection:

1. Type a keyword, phrase, or program name in the search box at the top of the screen.
2. Use the drop-down menu to select “By Segments” to search all of the available meta-data for segments or “By Titles” to search all of the available meta-data for full titles.
3. Click on “Search,” or press the “Enter” key on your keyboard to execute the search.
4. Click on any title to view that video, or click on “View segments in this video” to see a list of its segments.

CUSTOMIZE!

Change your default settings in “My User Preferences” in the “Welcome” drop-down box. All search results are displayed by individual segments and sorted from newest to oldest.
